Subject: [EXTERNAL] Gorge Dam Map Edits

Hi Bill,

While back we discussed the attached map that will be included in our tribal outreach letter. We are close to finalizing the letter, but need to make a few edits to the map.

Is it possible to add markers to the map for each of the identified historic properties? Those are:

The Gorge Shelter (SUM0381008)
The Works Progress Administration (WPA) stairs (SUM0381312)
Old Maid's Kitchen (SUM0381108)
Hunter's Pass/Labyrinth (SUM0381208)
The Chuckery Race (NR# 2001047), and
The CCC Latrines (33SU702).

It is my understanding that Jacobs created the original version. If that is not the case, please let me know and I will direct this request elsewhere.

Thanks,
Chris
